

Fujitsu recommends Windows.

Data Sheet

FUJITSU LIFEBOOK LH532

Notebook

Compact Performance for Everyday Use

The Fujitsu LIFEBOOK LH532 is the perfect choice, if you are looking for an all-purpose notebook. Weighing only 2 kg this 35.6 cm (14-inch) notebook is small and light enough for every trip, and at the same time big enough to check emails, surf the web, edit your pictures or watch a movie conveniently. With the optionally integrated Blu-ray Disc™ drive you even can enjoy high-definition entertainment at its best.

High performance computing

Experience the smart family of Intel® Core™ processors that deliver performance that adapts to your needs, making laptops faster and more responsive.

- Up to 3rd generation Intel® Core™ processors and latest Intel® mobile platform

Highest connectivity - anywhere, anytime

Be available wherever you are; wireless connectivity anytime anywhere, even if there is no hotspot nearby.

- Integrated WLAN and Bluetooth®, optional embedded 3G/UMTS, HD webcam, and digital microphone

Ease-of-use

Comfortable and ergonomic working in every situation.

- Lean notebook weighing only 2 kg with a 35.6 cm (14-inch) HD anti-glare display with LED backlight, integrated on/off switchable HD webcam and digital microphone, Anytime USB Charge to charge telephone and media devices even when the system is switched off

Excellent multimedia experience

Experience the power of the discrete graphics and enjoy the crystal clear sound for your demanding multimedia experiences.

- NVIDIA® GeForce® GT 620M with 2 GB dedicated video memory, optionally built-in Blu-ray Disc™ drive and DTS Boost™ software for an enhanced audio experience

Stylish design

The stylish matt soft touch finish is not only an attractive eyecatcher but makes working with this device more comfortable as the palmrest doesn't warm up.

- Different color options (black, red and blue), innovative soft touch finish for delightful haptics

Recommended Accessories

USB Port Replicator PR07

This Port Replicator is the perfect docking solution for notebooks without a docking connector. Turn your notebook into a desktop complete with two screens for a real productivity boost thanks to the DualView feature. Plus connect to the local area network and to all of your peripherals with a single USB plug.

Order Code:
S26391-F6007-L300

USB 3.0 Port Replicator PR08

The Fujitsu USB 3.0 Port Replicator PR08 is the perfect solution for hot-desk environments. It connects your notebook to all of your peripherals with a single USB 3.0 plug. This device can generate additional DisplayPort and DVI performance, enabling your system to run up to four screens separately at your workplace, i.e. a notebook, the notebook's external graphics, and the two additional graphic displays from your PR08. This makes the PR08 the optimal device for shared desktop solutions. A system-independent second network further increases your computing possibilities. On top of all this, the device provides audio and USB-hub functionality for even more desktop enhancement.

Order Code:
S26391-F6007-L400

CELVIN® Drive M200

The CELVIN Drive M200 is an ultra-portable and high-class storage device. Since it is compatible with USB3.0 and USB 2.0, it can be used with a large variety of devices. It is ideal for notebook and desktop users. It makes data backup easier and faster than ever.

Order Code:
S26341-F103-L500

SOUNDSYSTEM DS E2000 Air

The new more powerful SOUNDSYSTEM DS E2000 Air gives you impressive, well-balanced sound throughout the frequency band. It is an unbeatable USB speaker set with a surprisingly small form factor. The robust satellite speakers are decorated with a deluxe piano finish and the base is adorned with warm ambient lighting.

Order Code:
S26391-F7128-L600

Keyboard KB NUM CALC

The KB NUM CALC external numeric keyboard is an excellent add-on for notebook users or those needing to enter lots of numeric data. This keyboard is easier, faster and more convenient to use than the numeric keypad integrated in standard keyboards. It offers extra benefits with PC independent calculator functionality.
