Recommended Accessories

USB Port Replicator PR07

This Port Replicator is the perfect docking solution for notebooks without a docking connector. Turn your notebook into a desktop complete with two screens for a real productivity boost thanks to the DualView feature. Plus connect to the local area network and to all of your peripherals with a single USB plug.

Order Code:
S26391-F6007-L300

USB 3.0 Port Replicator PR08

The Fujitsu USB 3.0 Port Replicator PR08 is the perfect solution for hot-desk environments. It connects your notebook to all of your peripherals with a single USB 3.0 plug. This device can generate additional DisplayPort and DVI performance, enabling your system to run up to four screens separately at your workplace, i.e. a notebook, the notebook’s external graphics, and the two additional graphic displays from your PR08. This makes the PR08 the optimal device for shared desktop solutions. A system-independent second network further increases your computing possibilities. On top of all this, the device provides audio and USB-hub functionality for even more desktop enhancement.

Order Code:
S26391-F6007-L400

PocketSaver

The Fujitsu Kensington PocketSaver with its pocketable design and 1200mm retractable steel cable is the perfect anti-theft solution for when you are on the go. The patented T-bar lock mechanism and the tempered steel cable provide maximum security. The Fujitsu Kensington PocketSaver keeps your device protected wherever you roam.
